Thank you for your interest in selling our beautifully framed and matted calligraphy products on your Retail Website. All of the products from ACC (AMENCHRISTIANCALLIGRAPHY.COM) that you choose to sell on your website must sell for the same retail price shown on our site. Discounting is not allowed. We have specials listed on our site that you may also offer as a special on your site at the same price. Specials change on the first of each month.

Your website must NOT contain any adult, pornographic, or suggestive items for sale. This includes typed information. We do not support sites or want to be affiliated with sites containing any of the above.

SHIPPING---We ship only within the U.S. Orders ship within 1-3 days of receipt and they are shipped by UPS ground or USPS. Express delivery is also available and more customers will use express during the holidays. Your credit card will be charged the actual shipping cost when your order is processed. The shipping/container fees are real and not inflated. We charge you only what we pay for box/shipping. A suggested amount to charge your customer for shipping on framed items would be \$9.50. This should average out for all destinations across the U.S.

PERSONALIZING---Many of our products can be offered with the option to have them personalized. This means a name and/or date will be hand lettered on the matting of the picture. There's no extra charge for this and it's a GREAT incentive for the customer. 75% of our retail orders are personalized. People are looking for Unique and meaningful Gifts and we can create that for them with personalizing. There are no delays with personalized orders. You can also offer Gift Wrapping for your customers.
